

## RENTAL PROGRAMS

Owned and operated by local music teachers, Music Collection is dedicated to providing an opportunity for students to experience a rewarding musical education. Providing Newfoundland & Labrador with top quality, educator-approved instruments for about 35 years.

### No Long Term Commitments

Never an obligation to buy! Low monthly and school year rates provide an affordable option to introduce the student to an instrument before committing to purchasing. Renting also provides the student with the advantage of learning on a top-performing instrument.

### Excellent Purchase Options

Available on any Rental Plan, including monthly. Apply up to 100% of your Rental payments toward purchase of a **new instrument**. You may purchase your instrument at any time with options to buy at our best price. Your rent can also be applied to purchasing premium used instruments at a low cost.

### Step-Up Violin Plan

As your child grows, you may exchange rental violins for the next larger size for no extra charge. Then when the child has grown to use a full-size violin, you can still use a portion of your rent to buy a new violin.

### Summers Are Free!

Renew for next fall by June 30th and receive July and August at no charge. Available on both monthly or yearly payment plans

### Convenient Service

**Free standard maintenance service is included with School Rentals.** Plus we're the only rental centre open every weeknight, Saturday plus Sundays! Loaner or exchange instruments are provided if necessary.

### Insurance Plan

For pennies a day gain protection against loss, fire or theft. Never any deductible.

## BOOKS & SUPPLIES

We have everything your child needs for band!  
Instruction Books, Stands, Tuners, Reeds, Oils, Grease & Cloths.  
Our convenient Care Kits contain everything you need to properly care for your instrument, complete with instructions.
